HOW TO STYLE JUJU

Juju's collection is perfect for casual day & chic evening use, as Juju offers a full range of models that meet the accessory needs of customers from day to night. People love to mix & match their Juju's with their existing jewellery pieces.

JUJU: THE UNIVERSE OF ENDLESS COMBINATIONS

JUJU gives its wholesale customers the flexibility to customize models by choosing their metal / cord / enamel and stone colors. This way, the combination possibilities we offer are endless, making it possible for you to create your personal, unique collection.

PROFESSIONAL BUSINESS APPROACH

Every piece of JUJU is labor-intensive and produced in our work shop by experienced JUJU staff. We plan production meticulously and we always deliver on time. All documentation for import/export are prepared through professional agencies. We make sure that the suggested retail prices are standard throughout the world.

EXCELLENT AFTER- SALE SERVICE

We are aware that selling is just the first and maybe the easiest part of your trade relations with your customer. The most important part is the after-sale service which we excel in. If the product we sent you is faulty, we replace it right away. Also, when your customer requests any repair or change such as re-plating, or color changes (cord / stone), as long as your customer is willing to pay for shipping and the change, we will be more than happy to meet their demands.

BRACELETS

All JUJU bracelets are meticulously hand-crafted in JUJU's own workshop by skilled and experienced craftsmen, and come with lifetime warranty. Welcome to the dynamic, rebellious and chic world of JUJU's bronze bracelets.
