Rebellious & Graceful Choice of Jewelry  
[www.jujumood.com](http://www.jujumood.com)

who we  
are?

JUJU is a luxury brand that designs jewelry for women and men who think out of the box. With its strong, sexy and rebellious style, JUJU has become a trend-setter in the industry and an international brand, stocking its jewelry in many exclusive and reputable stores around the world.

Caner öllü, designer of JUJU, throughout his 25-year New York journey, got engaged in every stage of fine jewelry making, from design to production. Then, he combined his experience with his passion to create his own brand and started JUJU in 2014 with his wife Özlem öllü who had the vision and the marketing background that took the company to the next step.

# metals and stones

All Juju pieces are manufactured in bronze.

They can be manufactured in silver and gold too, should the customer requests so. In such a case, please ask for a quote.

For all Juju pieces with stones, we use high quality cubic zirconia (cz) and natural stones.

All Juju pieces with enamel are hand painted with high quality and long-lasting enamel.

be  
unique

JUJU gives its wholesale customers the flexibility to customize models by choosing their metal/cord/enamel and stone colors.

All JUJU pieces are manufactured and assembled in our own workshop. They are literally handmade, knot by knot, enamel by enamel, by trained and experienced JUJU staff.

where do  
we sell?

JUJU, founded in 2014 in Istanbul, has become an international brand, stocking its jewelry currently in **USA, Kuwait, Germany, Netherlands, Spain, Portugal, Canada, South Africa, UAE, Lebanon, Israel, Kazakhstan and Turkey.**

We sell in jewelry houses, lifestyle boutiques, concept and five star hotels as well as internationally renowned department stores such as Harvey Nichols, Galerie Lafayette, Bergdorf Goodman and Beymen.
